

CERTIFICATE OF ASSURANCE

This is to certify that iTech Labs has evaluated the following game by Rummytime Technologies Private Limited

Operator: Rummytime Technologies Private Limited

URL: <https://www.rummytime.com/>

Game Name	Game Type	Channel
Rummytime	P2P Rummy Game	iOS Native App Android Native App

Based on the evaluation conducted, iTech Labs has found the game to comply with the relevant Standards* and that the software is devoid of any processes, services or unintended code that would allow the use of a bot to control, mimic, or assist real player actions, and player actions are not overridden as a result of any bot activity.

The critical code evaluated for the game has been fingerprinted.

*The games in scope were tested according to the UK Remote Gambling and Software Technical Standards February 2021.

Disclaimer:

While it is not possible to test all possible scenarios in a laboratory environment, iTech Labs has conducted a level of testing appropriate for a component test of this type.
